# FUTURE OF ROCK FESTIVAL SPONSORSHIP

The Future of Rock Festival is a first-of-its-kind event celebrating and supporting the next generation of musicians in Omaha. This festival provides young artists with the rare opportunity to perform on a professional stage in front of a live audience, helping them gain confidence, experience, and exposure. Beyond the performances, the festival will also serve as a hub for local music organizations to connect with aspiring musicians and their families, strengthening Omaha's vibrant music scene.

We are seeking sponsors to help make this event a success. Sponsorship funds will cover festival costs, keeping admission free for attendees under 18. Any surplus funds will support the Future Rockers of Omaha Foundation's scholarship fund, providing financial assistance for young musicians to pursue music education and performance opportunities.

This is a unique opportunity to align your brand with a high-energy, community-focused event that directly invests in the future of music in Omaha. Join us in creating an unforgettable experience while gaining visibility and engagement with an audience of passionate music lovers and families.
