# SCHOOL OF ROCK HOUSE BAND SPONSORSHIP

*2024 House Band Students in front of the famous "Rave" venue in Milwaukee*

## Support the Next Generation of Rock Stars

The Future Rockers of Omaha Foundation is seeking local businesses to help fund the School of Rock Omaha House Band as they prepare for their biggest performance yet—Summerfest in Milwaukee. These talented musicians, ages 13-18, have earned the opportunity to perform on major festival stages, opening for world-class artists alongside hundreds of young musicians from around the globe.

However, tuition and travel costs create financial barriers that make it difficult for some students to participate. That's where we come in. The Future Rockers of Omaha Foundation was established to ensure no aspiring artist misses out on a life-changing opportunity due to financial limitations.

With your sponsorship, you'll help:

- Offset travel costs for the Summerfest trip.
- Provide tuition assistance for dedicated students.
- Fund band merchandise, so fans can proudly support them throughout the year.

Your support directly invests in the future of local music and helps these young artists shine on stage, both at home and across the country.
